

ATTACK TROUSSE "BIG"

TECHNICAL CHARACTERISTICS

ATTACK TROUSSE "BIG" DIMENSIONS

HEIGHT: 33 CM
LENGTH: 16 CM
DEPTH: 33 CM

Practical and useful bag designed to contain medical devices in a tidy way. Especially, beside the clip system, this one can be held back through means of a net in the lower part of the backpack inside a pocket with a zipper closure system.

It can be used with the collection of Tecnolife backpacks or even individually so that you don't have to take the whole backpack with you. Also it can be customizable with writings and logos.

It is produced in PL 600 material and it is available in two colors: red and blue. It is produced in Italy
