Trousse in PL 600 material to contain medical equipment inside of it.

It is divided in 8 pockets and 5 elastics for the splitting of the medical devices.

It is a modular trousse for medical material, kit or dedicated set.

It is characterized by blue color but it is available in further 8 colors on the side of the bag to recognize more easily and for a better management of the medical devices inside the backpack.

It is produced in Italy
