CARATTERISTICHE TECNICHE

DIMENSIONS

DIAMETER : 38.5 CM

SUPPORTED WEIGHT: 120 KG

CERTIFICATIONS

ISO: 12.31.03.006

CND: Y123099

RDM: 1167517/R

PRODUCT CODE

TEC02254 TURN UP® ROTATING
HARD DISK WITH HANDLE

The swivel discs are lightweight, robust and easy to carry. They are designed for use by patients who are able to stand, but cannot move their legs easily, allowing the operator to transfer the patient (eg: from bed to wheelchair).

The disc should be placed on the floor and the patient's feet should both be placed on it, after which the operator should lift the patient and rotate it in the desired direction.

TURN UP is made of resin with a non-slip base and a surface covered with Antislip (non-slip material).
