Versatile first aid backpack for the professional rescuer.

The backpack is equipped with a wide front pocket and 2 pockets on the sides.

The backpack has a flexible internal arrangement with 5 internal transparent bags of different colors for the storage of medical material.

Due to its flexibility the inside of the backpack has an excellent personal organization.

The main compartment has 5 colored trousse: 3 of them are in the deepest compartment with handle, and other 2 trousse are in the foldable external part with velcro.

The 5 reflective strips ensure the maximum visibility.

The extra-large and padded shoulder straps with straps on the chest and on the hips guarantee a secure and comfortable fit

Produced in PL 600 material .
