TEC07688 URINAL HYGIENIC
COVER

- Includes a super-absorbent pad (absorbs 700ml in 30 sec)
- No cross-contamination
- No Transportation
- Made from recycled materials
- Recommended for all units or all types of institutions (Hospitals or Long Term Care)

The Urinal Hygienic Covers® made from recycled material are the fast and efficient solution for disposing of urine.

The superabsorbent pad included with the covers will eliminate inconveniences such as cleaning and splashing while reducing the risk of cross-contamination.
